

## Community Relations

Page Construction has been a long time supporter of the American Cancer Society, youth sports such as little league, softball and soccer, and builder exchange scholarship funds. The company takes pride in its excellent safety record, competitive insurance rates, strong banking relationships, and long employment history of its key employees. Currently the company is making improvements towards green building beyond the recycling and erosion control measures it implements on each project.

## Staff

The force behind these construction achievements is a corps of highly motivated superintendents proud of their results. Add to these people, a corporate staff with solid backgrounds in construction engineering management, finance, and contract management.

PAGE CONSTRUCTION COMPANY is the result, a general contractor ready to deliver your construction needs on schedule, on budget, and to your satisfaction.

Page Construction Company is an authorized builder for Star Building Systems.
